COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The Notice of Allowability regarding the above-identified application indicated that acknowledgement is made of a claim for foreign priority, but None of the certified copies of the priority documents have been received by the PTO.

However, our record shows that the certified copy of Taiwan application No. 92129869 was sent to the PTO on January 18, 2006, and the stamped return post card confirmed that the PTO received the certified copy on January 24, 2006. As evidence, enclosed herewith are copies of the stamped return post card, the transmittal letter, and the first page of the certified copy of Taiwan application no. 92129869 to show that the certified copy indeed was sent to and received by the PTO.

As shown above, Applicant has timely filed the certified copy. Please correct your record and acknowledge the receipt of the certified copy of Taiwan Application No. 92129869.

Respectfully submitted,
J.C. PATENTS
